**A Guide To Help Develop & Maintain  
A Positive Attitude**

# Attitudes ARE EVERYTHING!

An individual's success can depend on his/her attitude. The *Attitudes Are Everything!* curriculum will show you how to use visuals, stories, and activities to help in the development and retention of a positive attitude.

### About The Curriculum:

Many times the lack of success at work, home, and school is not due to a lack of skills but the result of a negative attitude and inappropriate social skills.

We, at Village Northwest Unlimited, have written and published a curriculum to help individuals develop the positive attitude necessary to be successful in all aspects of their lives.

By using visuals, stories, and activities, individuals can develop a positive attitude and retain their new attitude. "Trigger" words or phrases can be given either verbally or in written form to help with the retention.

The Facilitators Guide includes a pre- and post-test, the objectives of the lesson, the materials needed, and guided discussions. There are a variety of stories included that appeal to a vast array of interests (i.e. sports, famous people, human interests).

### Cost:

The cost of the curriculum is \$45.00 + shipping & handling. For more information contact Cheryl Sandholm at (712) 324-4873 ext.. 5240 or email [cheryls@villagenorthwest.org](mailto:cheryls@villagenorthwest.org).
