About The Curriculum:

This curriculum takes a common sense approach to the subject of hygiene and grooming. Each subject is broken down step by step into easy to understand concepts. From bathing and hand washing to washing and matching clothes, each lesson will teach the overall concept that how we look is important.

With games and activities to help keep learning fun, we hope this will be a useful tool to teach the importance of good hygiene and grooming.

Cost:

The cost of the curriculum is \$35.00 + shipping & handling.
