## Who is Soles4Souls?

- S4S is not for profit global social enterprise committed to fighting poverty through the collection and distribution of shoes and clothing.
- S4S advances its anti-poverty mission by collecting new and used shoes from individuals, schools, faith based institutions, civic organizations and corporate partners.
- These collected shoes are then distributed via direct donation to people in need.
- These donations also provision qualified micro-enterprise programs designed to create jobs in poor and disadvantaged communities.

## Who is Village Northwest Unlimited?

- Village Northwest Unlimited is nationally recognized as one of the premier providers of services to people with intellectual and development disabilities, traumatic brain injuries and autism.
- We build successful lives for 180 individuals by providing opportunities and choices in residential, vocational and social programs while fulfilling our mission of providing **Purpose, Privacy & Dignity** for all people.

## How can I help?

- We are asking you to host a shoe drive to collect any new or used pairs of shoes.
- Collecting shoes means more than just providing a new pair of shoes for someone in need. You are also creating work opportunities for the residents of Village Northwest Unlimited.
- VNU partnered with S4S in 2009 to provide hope for those in need by processing and facilitating the donations of shoes.
- The residents receive the donated footwear, sort it into specific categories and prepare for shipment to S4S main outreach distribution center.
- This partnership allows the people that we serve to give back to society by being able to provide shoes to those less fortunate around the world.

# get collection boxes

Getting collection boxes is easy. Simply call or email either of the contacts listed below with your name, address and the number of boxes you need for your drive. Village Northwest will then send you the boxes as soon as possible.

Boxes are 30" x 16" x 16" and can hold roughly 30 to 40 pairs of shoes.

Boxes are not required. We will gladly accept shoes in tubs, plastic bags, boxes, you name it!

# get resources

When you decide to do a shoe drive, you will want to get the word out. We have some resources to help you get started.

The basic flyer explains who Village Northwest Unlimited and Soles4Souls are and how we work together. It also outlines how people can help by donating shoes. These flyers are available online at: [villagenorthwest.org/VNU-Soles4Souls](http://villagenorthwest.org/VNU-Soles4Souls).

Also available is this two-sided handout. It gives the same information as the flyer above but also lists contact information for VNU's Director of Development, who people can contact with any further questions. These are available at [villagenorthwest.org/VNU-Soles4Souls](http://villagenorthwest.org/VNU-Soles4Souls).

S4S has created the Soles4souls Talking Points document that outlines the need for donated shoes world wide and explains more about S4S. These are available at [soles4souls.org/resources](http://soles4souls.org/resources).

## News Releases, Bulletin and Newsletter Announcements:

An electronic version of this is available at [villagenorthwest.org/VNU-Soles4Souls](http://villagenorthwest.org/VNU-Soles4Souls).

# What happens then?

When your shoes reach VNU the processing stage begins. Our individuals work to match the shoes in pairs and wrap each pair in a rubber band. The shoes are sorted into different categories and prepared for shipment to Soles4Souls' main outreach distribution center.

Soles4Souls then distributes the shoes in one of two ways: free shoe distribution or micro enterprise.

**Free shoe distribution:** In the short term, Soles4Souls is able to provide new shoes and clothing to those in need. They receive shoe and clothing donations from corporate partners, and then work with non-profit partners including homeless shelters, after school programs, international relief and disaster relief organizations to get shoes and clothes to those who need them most, here in the United States and around the world.

### *How it works:*

Soles4Souls organizes distribution trips which allow people to sign up individually or as a private party and travel with S4S to developing countries to give out shoes. Destinations include Costa Rica, Haiti, India, Tanzania and others. To learn more or to sign up for a trip visit [soles4souls.org](http://soles4souls.org) and click the travel icon.

**Micro-enterprise:** In places like Haiti, Honduras and parts of Africa, work is extremely hard to find. Many live in deep poverty, meaning families live on less than \$1.25 per day. Soles4Souls offers the opportunity for thousands in developing nations to create small businesses selling shoes and clothing, (a micro-enterprise.) This is a powerful and sustainable way for people who are without a traditional job or training to lift themselves and their families out of poverty.

### *How it works:*

1. S4S receives new and used shoes and clothing through various donations such as individuals, church groups and manufacturers and sells them to qualified microenterprise non-profit partners. (The program helps fund the operations at Soles4Souls, allowing them to continue their mission of providing free shoes to those in need and supporting thousands of micro-entrepreneurs.)
2. The partners sell the shoes and clothing to micro-entrepreneurs with a small mark up.
3. Entrepreneurs prepare the product and sell it for a profit margin.

# Thank you for participating!

We are excited about our partnership with Soles4Souls and love seeing the creative ways in which people contribute. We have had some great success when partnering with area organizations, schools and individuals to organize shoe drives. Thank you for supporting our mission of providing purpose, privacy and dignity for all people through the Soles4Souls program.

If you would like any more information about Village Northwest Unlimited or hosting a shoe drive please do not hesitate to contact us.

Thanks again for you support.
