Who Is VNU?

Who is S4S?

- Village Northwest Unlimited is nationally recognized as one of the premier providers of services to people with intellectual and development disabilities and traumatic brain injuries.
- We build successful lives for 180 individuals by providing opportunities and choices in residential, vocational and social programs while fulfilling our mission of providing **Purpose, Privacy & Dignity** for all people.

- S4S is not for profit global social enterprise committed to fighting poverty through the collection and distribution of shoes and clothing.
- S4S advances its anti-poverty mission by collecting new and used shoes from individuals, schools, faith based institutions, civic organizations and corporate partners.
- These collected shoes are then distributed via direct donation to people in need.
- These donations also provision qualified micro-enterprise programs designed to create jobs in poor and disadvantaged communities.

How You Can Help

- VNU partnered with S4S in 2009 to provide hope for those in need by processing and facilitating the donations of shoes.
- The residents receive the donated footwear, sort it into specific categories and prepare for shipment to S4S main outreach distribution center.
- This partnership allows the people that we serve to give back to society by being able to provide shoes to those less fortunate around the world.
- S4S sends a truck to transport all donated shoes to their main distribution center.
- We are asking YOU to donate any new or used pairs of shoes.
- Your donation means more than just a new pair of shoes for someone in need. You are also providing work opportunities for the residents of Village Northwest Unlimited.
